Subject: O'Neil Sentencing Memorandum

Dear Mr. Oteri,

We have not met or spoken before, but as you probably know I have represented Jeffrey Deveau in the Maggio Mess for several years. I read your impressive Sentencing Memorandum on behalf of Mr. O'Neil and I simply want to say that you've done an outstanding professional job. I hope things work out for the best for O'Neil and his family (always the people who are eventually most harmed by a defendant's conduct).

I also want you to know that AUSA Victor Wild had reached out to my client (through me) for "input" & comment on Mr. O'Neil's version of his offense. Jeffrey declined to comment. I can't & won't share what he wrote to me in response to Victor's request except to tell you Jeffrey commented that "I don't wish this on anyone." Victor won't be hearing from us.

Kindest regards,

Ed Menkin
